The Celebrasian Cup Challenge Series

The Celebrasian Cup was inaugurated in 2017 in England as a way of bring corporates together through golf.

Following a re-launch post COVID in London and Jaipur we are now hosting the first Celebrasian Cup Challenge Series.

This will be launched in Sotogrande - one of the best places in the world to play golf with courses such as Valderrama (legendary Ryder Cup course), La Reserva and the La Hacienda where the event will be held on 31st October

Following this, there will be a number of events hosted across India including Delhi, Jaipur, Mumbai, Pune and other cities with our partners Incuspaze offering an amazing opportunity for corporates across UK and India to use the medium of golf to create business opportunities.

Winners of the Challenge Series in India will then be invited to an event in England in 2024 where they will compete in the Final to see who emerges victorious as the winners of the Celebrasian Cup
